

Saudi Society of Nephrology & Transplantation

7th SSN Congress (Virtual)
18,19 & 20 November 2021

Day 1 – Thursday, 18 November 2021					
Hall (A)		Hall (B)		Hall (C)	
Time	GN		Ped. Nephrology		Renal pathology
	Chair Persons: AbdulkareemAlsuwaida Hassan Faqeehi		Chair Persons: Naffaa Alharbi Loai eid		Chair Persons: Tariq Aljohani Reem AL Zahrani
18:00- 18:30	Complement inhibition in ANCA-associated vasculitis		The recent guidelines in dRTA		Beyond PLA2R- New antigens in membranous nephropathy.
	Speaker:	Vladimir Tesar	Speaker:	Detlef Bockenhauer	Speaker: Sanjeev Sethi
18:30- 19:00	A clinico-pathological approach to differentiate primary, secondary and genetic FSGS		Bones and hearts - improving cardiovascular health in children		Patterns of GN in KSA, Single Tertiary Center experience
	Speaker:	Fervenza Fernando	Speaker:	Rukshana Shroff	Speaker: Turki Alhussain
19:00- 19:30	Glomerular disease in pregnancy		Comparison and outcome of Renal Stone and Nephrocalcinosis		Updates on Lupus nephritis
	Speaker:	Hanadi Alhozali	Speaker:	Jameela Kari	Speaker: Agnes Fogo
Time	Plenary Session		Transplant Immunology		
	Chair Persons: Saeed Al-Ghamdi Turki Alshareef		Chair Persons: Mohammed Awaji Abdullah Aljurian		
19:30- 20:00	Treatment of Membranous nephropathy – recent clinical trials		SARS-CoV-2 virus induces the building of HLA class I and class II antibodies in recovered COVID-19		
	Speaker:	Fervenza Fernando	Speaker:	Ashraf Dada	
20:00- 20:30	The updated KDIGO guidelines on the treatment of IgA Nephropathy		Transplant immunology from cellular to clinical correlates		
	Speaker:	Heather Reich	Speaker:	Rabab Alattas	
20:30- 21:00	Updates on C3GN		Transplantation of the highly sensitized patients, HLA perspectives		
	Speaker:	Agnes Fogo	Speaker:	Moheeb Alawami	
21:00- 21:30	Industry Symposium- Biologix		Industry Symposium-Viforpharma		Industry Symposium-Sanofi
21:30- 22:00	Industry Symposium- Baxter		Industry Symposium-Kyowa Kirin		

Saudi Society of Nephrology & Transplantation

7th SSN Congress (Virtual)

18,19 & 20 November 2021

Day 2 – Friday, 19 November 2021

Day 2 – Friday, 19 November 2021					
Hall (A)		Hall (B)		Hall (C)	
Time	Opening Ceremony				
17:30 - 18:00	SSN Awards				
Time	Hereditary renal disorders		AKI/CCN		Electrolytes and tubular disorders
	Chair Persons: Osama Safdar Ahmad Alflaiw		Chair Persons: Riyadh Alsehaly Saad Alshehaieb		Chair Persons: Ahmed Alsalloum MAGBUL MAGHFURI
18:00-18:30	New recommendations for the treatment of ADPKD		Current Status of CRRT		Homeostasis and the kidney tubules.
	Speaker:	Vladimir Tesar	Speaker:	Khalid Alamiri	Speaker: Detlef Bockenhauer
18:30-19:00	Precision medicine in children with monogenic CKD		Biomarkers for early detection of AKI		Update on Type IV RTA
	Speaker:	Friedhelm Hildebrandt	Speaker:	John Kellum	Speaker: Adi Alherbish
19:00-19:30	The landscape of Mendelian kidney diseases in KSA		Role of adsorption in critical illness and organ failure		Tubulo interstitial nephropathy
	Speaker:	Fowzan Alkuraya	Speaker:	Claudio Ronco	Speaker: Abdullah Almalki
Time	Investigator Awards		Investigator Awards		Investigator Awards
	Chair Persons: Jamal Alwakeel Shehab Alenazi		Chair Persons: Mohammed Tawhari Faten Almuteri		Chair Persons: Najla Almalki Ibrahim Sandokji
19:30-19:45	Speaker:		Speaker:		Speaker:
19:45-20:00	Speaker:		Speaker:		Speaker:
Time	Plenary session		Nursing and Allied health		
	Chair Persons: Mohammed Ghonaimmat Ali Alhakami		Chair Persons: Layal Modi Alotaibi		
20:00-20:30	Evolution of technology in the management of AKI		Dialysis nurse life and experience		
	Speaker:	Claudio Ronco	Speaker:	Bandar Almutairi	
20:30-21:00	Role of PD in Cardiorenal syndrome		The role of Nurses to optimize PD therapy		
	Speaker:	Abdullah Alhwiesh	Speaker:	Mohammed Al-jondeby	
21:00-21:30	Paired Kidney transplant: Saudi Experience and Future Direction		Paired Exchange Kidney Transplantation; The role of transplant nurse		
	Speaker:	Khalid Almeshari	Speaker:	Anwar Alkarnous	
21:30-22:00	Industry Symposium-Amgen		Industry Symposium-Astellas		Industry Symposium-Viforpharma

Saudi Society of Nephrology & Transplantation

7th SSN Congress (Virtual)

18,19 & 20 November 2021

Day 3 – Saturday, 20 November 2021

Day 3 – Saturday, 20 November 2021							
Hall (A)		Hall (B)		Hall (C)			
Hypertension & diabetes		Dialysis		Transplant			
Time	Chair Persons:		Chair Persons:		Chair Persons:		
	Abdullah Alsalloum Sami Alobaidi		Bader Alhomayeed Khamisa Almokali		Wael Habhab Alanoud Alshami		
18:00- 18:30	Management of diabetic kidney disease		Modern PD		Personalizing immunosuppression regimens by efficacy and morbidity risk		
	Speaker:	Johannes Mann	Speaker:	Martin Wilkie	Speaker:	Vikas Dharnidharka	
18:30- 19:00	New frontiers in Hypertension		ISPD guidelines for Incremental PD		Genome		
	Speaker:	Abdulrazak Alamir	Speaker:	Peter Blake	Speaker:	Paul Keown	
19:00- 19:30	Role of ABPM in post-transplant hypertension		Home Hemodialysis: Saudi Experience		Chronic AMR: what's new		
	Speaker:	Joseph Flynn	Speaker:	Lutfi Alkorbi	Speaker:	Tariq Ali	
Time	Plenary session		COVID-19 and Kidney				
	Chair Persons:		Chair Persons:				
		Abdulnaser Alabadi Majed Aloufi		Ali Fageehi Mohammed Magrabi			
19:30- 20:00	BP measurement & target in ND-CKD patients: KDIGO 2021 guidelines		Kidney disease and COVID-19: An update				
	Speaker:	Johannes Mann	Speaker:	Rupesh Raina			
20:00- 20:30	Contrasting BK virus after kidney transplant		The impact of COVID-19 on chronic dialysis: Canadian Experience				
	Speaker:	Vikas Dharnidharka	Speaker:	Peter Blake			
20:30- 21:00	Donor-derived free DNA for the detection of kidney allograft injury		The impact of COVID-19 on Transplantation in Saudi Arabia				
	Speaker:	Paul Keown	Speaker:	Mohammed Alghoniem			
21:00- 21:30	Industry Symposium-Astrazeneca		Industry Symposium-Fresenius		Industry Symposium-Biologix		
21:30- 22:00	Industry Symposium-Bayer		Industry Symposium-GSK		Industry Symposium-Baxter		
Closing Remark
